Dear Fellow Members of the Fellowship

I write to you all today bringing to your attention a great need of one of our Fellowship Families in the knowledge that collectively when we pray to Almighty God over such matters that God not only hears our prayer, but graciously answers them.

Jeandre Fourie, the son of Willie and Serna Fourie is suffering with Adrenoleukodystrophy which is a very debilitating chemical attack on the brain's nerve cells affecting 1 in 18,000 people with serious results. More information can be found on Google.

I'm not a Doctor nether am I a Psychiatrist, but I have had some experiences dealing with this sort of thing in the Spirit Realm. A family from Stanthorpe who found me through FGBMFI called and asked if I would visit their daughter in the Psych Ward, Chermside Hospital suffering Anorexia. On entering her room, I discerned the spirit of death hovering over her. I questioned the nurse as to how long she would live in this state? The answer was two maybe three days and then a strange thing happened, the nurse left the room and shut the door. This was not the normal protocol in male to female visits.

Seizing the God given opportunity I got straight into prayer rebuking the spirit of death until it manifested and left not only the room, but more importantly the young lady who had suffered to the point of death. Satisfying myself that this God given task was completed and the power of God had prevailed over the Kingdom of Darkness I left the Hospital. I returned three days later at which time the Hospital staff let me walk the young lady around the perimeter of the Hospital grounds. All things to the glory of God - the Young Lady went on to be a missionary. Praise God!

I tell that story to encourage each and every one of you that in this pressing matter we can stand together with Jeandre's Family and invoke the Power of Almighty God that this debilitating pestilence must stop its attack and return from where it was sent.

Matthew 17:21 *"However, this kind does not go out except by prayer and fasting".* This is a very powerful Scripture for it was spoken by Jesus and should be used at such times as this. Fasting is a willing abstinence or reduction from certain or all food, drinks, or both for a period of time and when added to prayer for the right reasons will bring about the best conclusion. Brethren I'm asking that this Thursday 21st May be set aside as a day of prayer and fasting for Jeandre ending with a ZOOM prayer meeting at 7.30pm. Also I will be sending this email to both New Zealand and Malaysia asking them to stand with us; for we are one body in Christ Jesus serving God as best we can.

The Fourie Family are a God Worshiping Family and we as a fellowship have been mightily blessed by their unselfish ministry at so many of our functions. Those who were at our National Convention last year experienced for the first time in a long time a level of God inspired Worship; that sadly seems to be missing today.

How was it that we were all able to sing in the Spirit in such a spirit of unity? Well for days before the convention this family were preparing their hearts before God making sure that their lives were in order enabling them as humble disciplined vessels, before the Lord, to lead the meetings in songs of praise and worship. Also before the convention opened Willie spent no less than four hours in the meeting room waiting on God, preparing the spiritual ambiance in anticipation of an out pouring of the Holy Spirit.

It is now that we need to roll up our spiritual sleeves, stand up in the power of God and pull down the principalities and powers of darkness that has attacked this anointed family of God until they are free.

Psalm 124:1-8 *"If it had not been the Lord who was on our side, now may Israel say; if it had not been the Lord who was on our side, when men rose up against us: Then they had swallowed us up quick, when their wrath was kindled against us: Then the waters had overwhelmed us, the stream had gone over our soul: Then the proud waters had gone over our soul. Blessed be the Lord, who hath not given us as a prey to their teeth. Our soul is escaped as a bird out of the snare of the fowlers: the snare is broken, and we are escaped. Our help is in the name of the Lord, who made heaven and earth.*

Come on Ladies and Gentlemen; let's get this done for the glory of God! If there are any word of encouragement, Prophases or the like please direct them through the Fellowship as the Family have asked for privacy at this time as they are spending maximum time with their son.

God Bless you as you go into Spiritual Battle.
