

James 1:27 - Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world.

The FGBA loves and blesses the FGBMFI widows in the Philippines with gifts to enable them to not only care for themselves but also to reach out to many other widows whose husbands have died from Covid-19. Since 1 July, 2021, the FGBA has donated \$7,350.00 to the Widow's Chapter to assist them with this important work.

Recent news from the FGBMFI Ladies of the Fellowship Philippines - Widow's Ministry

20th October 2022

I'm excited to report that we are going to have a follow up get together with fellow widows here in my district tomorrow at 3pm. We prepared McDonald meal for them this time and a soft blanket for everyone. As you know, it's rainy season here in the Philippines now. December is just around the corner and it's going to be a bit cold here at night. So we decided to give them a blanket that can fit two people. We prepared a program for them.

I will take lots of pictures and share them with you.

23rd October 2022

What a busy week for me.

We had the feeding and gift giving follow up with the widows of Gordon Heights in my area the other day, Oct. 21, 2022 at 3pm. They must be excited because, they were already in front of my gate at 230pm

I'm happy to report that we had another successful fellowship and they were so happy about the blanket we gave them.

We're also thrilled that they're not as shy, unlike the first time we met them. They're all laughing and some shared life's testimonies/

We spent 2 hours with them, listening, praying, eating and laughing with them.

We already made a date with them for Christmas party either Dec 9 or 10. Their faces light up when we mentioned about that. As you can see on the pictures i'm sharing, many of them are in their 60's and 70's. We also have a mother and 3 daughters~ ALL widows.... in our group.

I attended a wedding last night and met a friend of my BFF from the US. She just lost her husband 6 month ago and I shared about our Widows ministry and showed her pictures that I took from the day before and she was so happy to see a group like ours. She felt bad that they don't have a group like ours in the mainland US.

Below is a picture from Oct 21.

Being the happiest people on earth!

Doughnuts for their snack.

Enjoying their MacDonald's meal.

The widow's meeting to share their testimonies and to pray for each other.

Thank you once again for all the love, support and prayers for the LFP Widows Ministry.

Regards to all,

Evelyn Ardon
