FGBA NORTH CANBERRA – NOVEMBER 2022 DINNER FUNCTION

Monday 7th November, 2022 at the Southern Cross Club, Jamison.

DEAD AND YET NOW VERY MUCH ALIVE!!

Our guest speaker Rev. James Jacob still bears the scars of being stoned to death after which he was then dumped in a river. He will share parts of his amazing testimony of God's saving and miraculous power and will also preach some inspired truths from God's word. During his many years in ministry he has spoken to Presidents, American Universities annually and hundreds of Churches of all Denominations. Reverend Jacob is the founder of Jesus For India ministry and oversees 300 churches in the south of India. He and his wife also established a Bible school, and have raised up and trained many pastors.

Multitudes of people have been born again and miraculously healed and delivered of evil spirits through the power of the Holy Spirit, as James has prayed for their needs.
Come and receive the loving and healing touch of the Holy Spirit.

Please Note: Bookings required by Friday 4th November. Early bookings would be appreciated. If you or your invited guests are unable to attend, please notify me as soon as possible so that we are not charged for your ordered meals. Please let me know of any special dietary requirements.
