# WHO WE ARE

**THE HISTORY OF  
THE FGBMFI  
- INTERNATIONAL  
(BY FOUNDER,  
DEMOS SHAKARIAN)**

In 1952 God told me to start a Fellowship for men who would meet small and large groups in cafes, hotels and public places to fellowship and minister spiritually one to another. To attempt to accomplish this, we organized a group and met in Clifton's Cafeteria in Los Angeles every week for a whole year. Interest and attendance was so small that it appeared we would be forced to give up a ministry God called me to do.

God was so good and gave me a vision in my home while I was on my knees the night before I was going to stop the meetings. God said to me, "I am the One, Demos, who alone can open doors. I am the One who removes the beam from the unseeing eyes" "I understand, Lord Jesus. And I thank you". "And now I will let you see, indeed". With that the Lord allowed me to rise to my knees. Lifted me almost, as though the power, which had pressed me to the floor was bearing me up.

And at that moment, Rose, my wife came into the living room. She stepped around me and walked over to the Hammond organ in the corner. She said not a word, but sat down and began to play. As the music swelled through the living room, the atmosphere grew brighter. To my amazement the ceiling seemed to have disappeared. The cream-colored plaster, the ceiling light they were simply gone, and instead I found myself staring up into the sky, a daytime sky although it must have been pitch dark. How long she played while I gazed into the infinite distance, don't know. But all at once she stopped, fingers still resting on the keys, and began to pray aloud in tongues. She paused a moment, then spoke in English. "My son, I knew you before you were born. I have guided you every step of the way. Now I am going to show you the purpose of your life"

It was the Spirit's gifts of tongues and interpretation, given together. And as she spoke, a remarkable thing began to happen. Although I was on my knees, I felt as if I was rising, leaving my body, moving up, away from the living room. Down below me I could see the rooftops of Downey, California. There were the San Bernardino Mountains, and over there the coast of the Pacific Ocean. Now I was high above the earth, able to see from the west to the east.

Whether the world was turning, or whether I was traveling around it, I do not know. But now beneath me, the continent of South America, then Africa, Europe and Asia. I could see people on the earth millions and millions of them standing shoulder to shoulder. Then just as the camera can zoom in at a football game to show first the stadium, then the players, then the very laces on the football, my vision seemed to move in on the millions of men. I could see the very details of thousands and thousands of faces. Everywhere it was the same brown faces, black faces, white faces everyone rigid and wretched, everyone

locked in his own private death. "Lord" I cried. "What is the matter with them? Lord help them" Afterward Rose told me that I said nothing. But in the vision it seemed to me that I wept and pleaded aloud. Suddenly Rose began to speak. Humanly speaking of course, she had no way of knowing that I was seeing anything at all. But what she said was: "My son, what you see next is going to happen soon". The earth was turning or I was moving around it a second time. Below me again were millions of millions of men. But what a difference! This time heads were raised. Eyes shone with joy. Hands were lifted towards heaven. These men who had been isolated, each in his prison of self were linked in a community of love and adoration. Asia, Africa, and America everywhere death had turned to life. And then the vision was over.

# WELCOME FROM FGBMFI INTERNATIONAL PRESIDENT MR. FRANCIS OWUSU

It is with great joy that I welcome you all to the 2025 Asia Pacific Convention in Fiji. This is a momentous occasion, and we are truly blessed to gather together in this beautiful corner of the world to reflect, share, and strategize for the work that lies ahead.

As you may be aware, in May we were blessed with the acquisition of our new International Headquarters in Houston, a significant milestone that marks the continued growth and vision of our Fellowship. Additionally, we secured the rights to our bestselling book, *The Happiest People on Earth*. These achievements are a testament to God's abundant blessings and the faithfulness of every member who has supported this journey. The Asia Pacific region, with over 50% of the world's population, holds an immense responsibility and incredible opportunity in the work we do. The Asia Pacific Convention serves as an invaluable time to reflect on our progress, take stock of where we are, and strategize for the future. It is a time to come together as one body, united in purpose, and committed to the mission that God has entrusted to us.

As a Fellowship, our primary calling remains unwavering: to win souls for Christ. Our vision is rooted in the love that we have received from Him, and it is through this same love that we are called to reach a world that is desperately in need of healing and restoration. The theme of this year's convention, "**Love Breaks Every Stronghold**," serves as a reminder of the powerful force that love can be in breaking down the barriers that divide us and hold us captive. In a world so often driven by individualism and selfishness, we must be the hands and feet of Christ, showing love not just in words, but in action.

As we come together for this convention, let us be reminded that love is not just a concept, it is a commandment that Christ has given us. It is through our love for one another that the world will recognize the truth of who we are and the power of the Gospel that we carry. This is a pivotal moment for us to deepen our commitment to one another as brothers and sisters, to encourage and strengthen each other as we work toward the fulfilment of the Great Commission.

As we continue to move forward as a Fellowship, our goal of establishing at least one chapter in every nation of the world becomes more and more achievable. However, we must always be reminded that this task is not accomplished by human effort alone. It is only by the power of the Holy Spirit that we can carry out the work that God has called us to. Therefore, let us be diligent in our prayers, asking the Lord of the harvest to send forth more laborers into His fields, so that His name may be glorified in every nation and on every continent. Fiji is a nation that will never be the same after this convention. The love and unity we share here will not only impact our Fellowship but will spread like a sweet fragrance across these islands, touching every heart and transforming every life. The work that begins here will ripple out into the communities we serve, creating a lasting legacy of faith, hope, and love.

I encourage each one of you to make the most of your time here in Fiji. Let us come together in fellowship, in worship, and in prayer, making this convention a truly unforgettable experience. May we leave this place with a renewed sense of purpose, a stronger commitment to the mission ahead, and a deepened love for one another. God bless us all, and may His peace be with you always.

Thank you

**Francis Owusu**

# WELCOME FROM REGIONAL VICE PRESIDENT FGBMFI ASIA PACIFIC

Dear Beloved Brothers and Sisters in Christ,

Warmest greetings and a heartfelt welcome to each of you to the FGBMFI Asia Pacific Convention 2025, here in the tropical paradise of Nadi, Fiji!

It is both an honor and a profound joy to gather together once again as Full Gospel Businessmen, families, and friends from across the Asia Pacific region. We believe that this convention is more than just a scheduled event—it is a divine appointment. God has called us here, for such a time as this, to encounter His presence, deepen our fellowship, and advance His Kingdom.

Our theme this year, “Love Breaks Every Stronghold,” could not be more timely or relevant. We live in a world increasingly marked by division, fear, addiction, spiritual apathy, and brokenness. Yet we proclaim boldly that there is a power greater than every force of darkness—a love that conquers every fear, heals every wound, and tears down every stronghold.

The Apostle Paul reminds us in 2 Corinthians 10:4 (NIV):

“The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds.”

This is the power of God’s love—a love that restores marriages, reconciles families, liberates the bound, heals the sick, and sets captives free. The love of Jesus Christ is not passive or weak; it is a divine force that transforms lives and rewrites destinies.

Over this two days, we will hear powerful testimonies of men and women whose lives have been changed by this supernatural love. We will experience dynamic worship, life-giving teachings, Spirit-led ministry, and heartfelt fellowship with believers who are passionate about bringing the full Gospel into every sphere of life—from the marketplace to the mission field.

Let us come with open hearts and expectant spirits. Let us be ready to receive a fresh impartation of the Holy Spirit. Let us build connections that extend beyond borders and cultures, unified in our calling to be ambassadors

of God’s Kingdom in the business world and beyond.

May this convention ignite a new fire within each of us—a renewed passion to see our families, communities, and nations transformed by the love of Jesus Christ. As we leave this place, may we carry with us a testimony that declares to the world: Love has broken the stronghold!

We welcome you to Fiji.  
We welcome you to a time of divine encounter.  
We welcome you to the miraculous.  
May God bless you richly throughout this convention.

With love and gratitude,

Rudi Jap  
RVP Asia Pacific FGBMFI

# WELCOME FROM NATIONAL PRESIDENT FGBMFI FIJI

Fiji looks forward and is honoured to host you—not only in our homeland, but in this sacred moment of kingdom fellowship and divine assignment. Your coming to Fiji is not by coincidence; you have been appointed by God to be here, now—for a higher purpose.

Our Asia/Pacific convention theme this year, “**Love Breaks Every Stronghold**,” is more than poetic—it is prophetic. It calls us to wage war with an unconventional weapon: **LOVE**.

Not soft, sentimental love, but a love that confronts injustice, casts out fear, and dethrones pride.

This is the agape love that transforms boardrooms, restores families, and shifts national destinies.

As business owners, we are not excused from the spiritual battlefield—we are positioned on it. We are called to be holy disruptors in commerce, champions of righteousness in the marketplace, and examples of integrity in a world that often bows to profit over principle and comfort over calling.

This gathering is not just for encouragement—it is for equipping. You will be stretched. You will be provoked. And, prayerfully, you will be transformed.

So I challenge you: You won’t leave Fiji the same way you came, don’t settle for surface-level success when God is offering eternal impact, don’t come for

a blessing alone—come ready to become a blessing in your business, your community, your nation, your region, and your generation.

Fiji welcomes you with open arms and an expectant spirit. May this be a convention where hearts are healed, callings reignited, and men empowered to return to their nations as flames of love that burn down every stronghold.

Fiji and I look forward to welcoming you in the name of Jesus Christ our Lord and Saviour.

Uraia Rasake  
National President
